How Would You Feel?...

1. Getting picked on and teased.
2. Having your ears and hair pulled.
3. Having your special treat or toy that you don't have to share.
4. Playing a rough game where you get hurt.
5. Taking a quiet nap next to someone you love.
6. Getting picked up gently and hugging softly.

Draw a face on each animal and write one word under each completed picture that describes how you would feel.
