Meeting the Needs

Pets have needs. What are they? To get an idea, see the Word Box below. A responsible pet owner provides all these. One very important pet need is missing from the list. To find out what it is, write the words in their proper place in the puzzle. Then read the gray squares. The first word has been done for you.

Word Box

leash  owner  toys  grooming  attention  praise  training  pet food  shelter
ID tags  collar  regular exercise  kindness  yearly shots  license  love  water
