<p>1 This year, make "Rescued" your favorite breed! (You're their only chance for a home)</p>	<p>2 There are too many pets and not enough good homes. Spay or Neuter your pets!</p>	<p>3 Make a New Year's resolution to be kind to animals and teach others the same!</p>	<p>4 When you adopt a "mutt" you have a unique dog that no one else has - a "Designer" Dog!</p>	<p>5 Pets should never be outside when it's really cold. Be sure your pets are protected from cold. What can you do to accomplish this?</p>	<p>6 Each snowflake is different. But when they stick together, they can become a snowman. Each person is different too, but we can do great things when we stick together!</p>	<p>7 If you see an animal suffering, call your local animal shelter. You CAN help! Look up your local number now so you'll be ready!</p>
<p>8 Don't throw away your real (live) Christmas tree. If everyone did that, there wouldn't be room for anything more! Recycle it!</p>	<p>9 Plan what you can do to help the animals this year.</p>	<p>10 Remind yourself to feed the birds on a daily basis, until spring and their natural food appears! What kind of birds appear at your feeders?</p>	<p>11 If you're cold, then so are your animals. Be sure they are warm enough.</p>	<p>12 Cat's DON'T need to go outside to be happy. see hsus.org for more info.</p>	<p>13 "Think occasionally of the suffering of which you spare yourself the sight." -Albert Schweitzer</p>	<p>14 HAPPY BIRTHDAY Albert Schweitzer! He tried to make life better for all living things. In his honor, try to help an animal in some way every day this year!</p>
<p>15 Help your parents check for antifreeze spills. Pets love the taste, but antifreeze can be deadly. Clean up spills right away!</p>	<p>16 Martin Luther King Day Dr. King wished for a peaceful world - for all!!</p>	<p>17 Happy Birthday Ben Franklin! Not many people accomplish as much as he did in his lifetime. But we can try!</p>	<p>18 Check your dog's paws after a walk. Salt, sand or chemicals imbedded in the paws may cause burns to paws or mouth as they lick their paws.</p>	<p>19 "All I had, you see, was love, I wish they would explain, why they said they wanted me, then left me on a chain." It's NEVER right to chain a dog!</p>	<p>20 NATIONAL PENGUIN AWARENESS DAY Learn more about these little creatures and pledge to protect their endangered existence.</p>	<p>21 What time does a duck wake up? <i>At the crack of dawn!</i></p>
<p>22 Don't throw or put food on the side of the road. Animals will come up to eat and might get hit by a car.</p>	<p>23 Remember to feed the birds. They're depending on you to help them through the winter.</p>	<p>24 Our world isn't just for people. Many creatures share our planet. Take care of yourself and the animals. Keep our planet clean.</p>	<p>25 "Three dog night" originated with the Eskimos and means it's so cold, the only way to stay warm is to sleep with 3 dogs in your bed! <i>How cool is that?!</i></p>	<p>26 Today is Australia Day. Name two of Australia's most famous animals (hint: they both begin with "k") <i>Kangaroo & Koala</i></p>	<p>27 When pets get lost, shelters can't help much if your pet has no form of ID. Help your pet get home - make them wear an ID tag and have them microchipped.</p>	<p>28 Did you ever notice how curious cats are? They want to investigate everything. Be sure your home is safe for your cat(s) to explore.</p>
<p>29 Adopt a Shelter Pet & Save a life!</p>	<p>30 Ever notice that petting an animal can be relaxing? If you haven't already noticed, try it soon!</p>	<p>31 </p>
