				<p>1 On This Day... The first National Park (Yellowstone) was created by an act of Congress in 1872. What can YOU do to help the parks and the animals that live there?</p>	<p>2 Happy Birthday Dr. Seuss! "You have brains in your head. You have feet in your shoes. You can steer your-^{self} any direction you choose." </p>	<p>3 "Old age means realizing you will never own all the dogs you wanted to." -Joe Gores </p>
<p>4 We all learn from our mistakes. Dogs and cats make mistakes too. When that happens, don't get mad. Just say NO! Give them plenty of praise for good behavior.</p>	<p>5 Don't let pets roam free. They face many dangers in the outdoors. Always keep cats indoors and dogs on a leash. </p>	<p>6 Adopting from a shelter WILL save a life! Everyone gets Lucky! </p>	<p>7 Every day thousands of dogs & cats are born for whom no homes exist. Do YOUR part - Spay or neuter your pets!</p>	<p>8 Did you know... The average life of an outdoor cat is 1-3 yrs, due to dangers like traffic and disease. With care, indoor cats can live 15-18 years! </p>	<p>9 This is a good weekend to do some pet care maintenance. Clean your pet's bed, house, cage or aquarium. No pet? Ask a neighbor if you can help out!</p>	<p>10 Are you an RPO-Responsible Pet Owner? What are some of the things you need to do to be an RPO? </p>
<p>11  Daylight Saving Time Begins (spring forward 1 hour)</p>	<p>12  Don't depend on Luck to find your lost pet. Make sure they have a microchip and ID tag.</p>	<p>13 Did you Know: A 15 year old cat has probably spent 10 years of his life sleeping! </p>	<p>14 Adopt a black cat and change her LUCK forever!! </p>	<p>15  Nature is getting ready to bring on spring. Don't miss it. Be a wildlife watcher. Remember the three L's: Look, Learn and Leave them alone.</p>	<p>16  Remember the birds! They count on us for food and water during the winter!</p>	<p>17  Make it your lucky day - and help it to be a lucky day for an animal you know. </p>
<p>18 Where did YOUR dog come from? If it came from a "pet shop", did you ask where THEY bought it? Ask questions! Don't support the puppy mill industry!</p>	<p>19 Don't forget: Your pet is depending on YOU for a lifetime forever home! </p>	<p>20 First day of Spring! This is a time for new beginnings. Make some new friends - both human and animal! </p>	<p>21  Yawn! Animals are coming out of hibernation and are ready to raise families. Animal babies are cute, but always watch from a distance.</p>	<p>22 Talking to animals is never a one-way conversation, not if you listen carefully! </p>	<p>23 National Puppy Day Save a life - Adopt, don't Shop!</p>	<p>24 Don't forget to cut the plastic rings on six-pack holders. Animals can be seriously hurt. They'll thank you for caring! </p>
<p>25 Be sure pets stay out of the wastebaskets. There are dangerous things in there. Take your garbage out right away.</p>	<p>26  It's Important!</p>	<p>27 "Punish the deed, not the breed." An entire breed of dogs can't be bad. Problems are usually caused by the dog owner's training or LACK of training the pet.</p>	<p>28 Be prepared for animal emergencies. Keep a list of phone numbers: vet, poison control, animal shelters, etc. in your phone. </p>	<p>29 Chaining a dog is NOT a sign of a person who cares for his/her pet! </p>	<p>30 Be your pet's best friend and protector. They're counting on You!  Good Friday</p>	<p>31 Don't touch that TV remote! Now that spring is here, go outside and enjoy the real world Nature's calling! </p>
