	<b>1</b> Wildflowers aren't just pretty, they're practical. Lots of critters depend on them for food.	<b>2</b> <b>Animals don't wear shoes.</b> Broken glass and sharp cans will hurt them. Don't litter, and pick it up when you see it!	<b>3</b> Be kind to bugs! Don't step on that insect. Take it outside and let it go. It has a job to do in our world, too!	<b>4</b> Did you know... A pet rabbit can live up to 10 years? <i>Don't adopt unless you are ready for that kind of commitment!</i>	<b>5</b> Don't throw away all those plastic containers! Use your imagination and give them a second life. What can you use them for?	<b>6</b> Adopt a shelter pet- You'll save a life!
<b>7</b> This is <b>Be Kind to Animals Week</b> <i>also known as National Pet Week</i>	<b>8</b> Please be kind to us EVERY week!	<b>9</b> Fleas are among the best jumpers in the world. Make sure your pet is on a tick & flea protection medicine.	<b>10</b> Be sure your pets are on preventative heartworm medicine. Mosquitos spread this and it can be fatal to your pet.	<b>11</b> Animals communicate in different ways. Bees dance, rabbits thump the ground and birds sing. What are some ways pets communicate with you?	<b>12</b> May the footprints we leave behind show that we've walked in kindness toward the earth and every living thing. <i>American Indian</i>	<b>13</b> Chained dogs are isolated, bored and lonely... <b>Unchain my heart!</b>
<b>14</b> <b>Mothers Day!</b> Be sure to give your Mom some special attention today.	<b>15</b> This summer be on <b>Panting Pooch Patrol.</b> Look for pets left in hot cars. If you see one, tell an adult or policeperson right away. <b>You could save an animal's life.</b>	<b>16</b> Enjoy (and leave) the flowers in your yard. That way, the birds, bees and butterflies can enjoy them too!	<b>17</b> Never throw trash on the side of the road. Animals can get hit by cars when they investigate the trash.	<b>18</b> Many animals lose their homes when forests are destroyed. Find out how you can help protect forests. <a href="http://earthfuture.com">earthfuture.com</a>	<b>19</b> Birds and other animals often swallow balloons and choke. <b>Say no to balloon releases.</b>	<b>20</b> <b>BARK in the Park!</b> A really fun day for you and your dog(s). Go to <a href="http://www.hsmo.org">www.hsmo.org</a> for more information.
<b>21</b> What animal is always laughing? <i>A happy-potomus!</i>	<b>22</b> <b>National Dog Bite Prevention Week</b> Go to: <a href="http://avma.org/dogbiteprevention">avma.org/dogbiteprevention</a> for more information on dog bite prevention	<b>23</b> There are not enough good homes for all the cats and dogs. Do what you can - have your pet spayed or neutered.	<b>24</b> Butterflies are in the air. Plant a butterfly garden and observe them instead of catching them.	<b>25</b> It's baby season in the wild. Be careful not to interfere with Moms and babies!	<b>26</b> Have a good summer. Don't forget to protect the animals! Come visit us at the Humane Society of Missouri! <a href="http://www.hsmo.org">www.hsmo.org</a> For cool kids classes this summer:	<b>27</b>
<b>28</b> <b>P</b> ledge to protect wildlife this summer!	<b>29</b> <b>Save a life</b> Always adopt a shelter pet! <b>Memorial Day (observed)</b>	<b>30</b> Don't "shop"... Adopt!	<b>31</b> Visit your local animal shelter. There's a lot of love waiting for you there!
