		1 Animals don't wear shoes. Broken glass and sharp cans will hurt them. Don't litter, and pick it up when you see it! 	2  Wildflowers aren't just pretty, they're practical. Lots of critters depend on them for food. 	3 Did you know... A pet rabbit can live up to 10 years? <i>Don't adopt unless you are ready for that kind of commitment!</i> 	4 Don't throw away all those plastic containers! Use your imagination and give them a second life. What can you use them for? 	5 Adopt a shelter pet- You'll save a life! 
6 National Pet Week dedicated to celebrating the more than 200 million pets that enrich our lives each and every day. 	7 Please be kind to us EVERY week! 	8 <i>This is also</i> National Dog Bite Prevention Week Go to: avma.org/dogbiteprevention for more information on dog bite prevention	9 Be sure your pets are on preventative heartworm medicine. Mosquitos spread this and it can be fatal to your pet. 	10 Animals communicate in different ways. Bees dance, rabbits thump the ground and birds sing. What are some ways pets communicate with you?	11 May the footprints we leave behind show that we've walked in kindness toward the earth and every living thing. <i>American Indian</i>	12 Chained dogs are isolated, bored and lonely... Unchain my heart! 
13 Mothers Day! Be sure to give your Mom some special attention today. 	14 This summer be on Panting Pooch Patrol. Look for pets left in hot cars. If you see one, tell an adult or policeperson right away. You could save an animal's life.	15  Enjoy (and leave) the flowers in your yard. That way, the birds, bees and butterflies can enjoy them too!	16 Never throw trash on the side of the road. Animals can get hit by cars when they investigate the trash. 	17  Many animals lose their homes when forests are destroyed. Find out how you can help protect forests. earthfuture.com	18 Birds and other animals often swallow balloons and choke. Say no to balloon releases. 	19 BARK in the Park! A really fun day for you and your dog(s). Go to www.hsmo.org for more information. 
20 What animal is always laughing? <i>A happy-potamus!</i> 	21 Fleas are among the best jumpers in the world. Make sure your pet is on a tick & flea protection medicine. 	22 There are not enough good homes for all the cats and dogs. Do what you can - have your pet spayed or neutered. 	23  Butterflies are in the air. Plant a butterfly garden and observe them instead of catching them. 	24 It's baby season in the wild. Be careful not to interfere with Moms and babies! 	25 Have a good summer. Don't forget to protect the animals! Come visit us at the Humane Society of Missouri! www.hsmo.org 	26 For cool kids classes this summer: 
27 Pledge to protect wildlife this summer! 	28 Save a life Always adopt a shelter pet!  Memorial Day (observed)	29  Don't "shop"... Adopt!	30 Visit your local animal shelter. There's a lot of love waiting for you there! 	31 Be kind to bugs! Don't step on that insect. Take it outside and let it go. It has a job to do in our world, too!
