

Dogs can't Add, Cat's can't Subtract, But they sure can **MULTIPLY!**

An unspayed female dog, her mate and all of their puppies, if none are ever neutered or spayed, add up to:

1 year:	16
2 years:	128
3 years:	512
4 years:	2,048
5 years:	12,288
6 years:	67,000 dogs!!!!

There aren't enough good homes for all of these dogs.
Be a responsible pet owner.

Spay or neuter your pet!
