

"How Would You Feel...?"

Draw a face on each animal and write one word under each completed picture that describes how you would feel.

1 Getting picked on and teased.

2 Having your ears and hair pulled.

3 Having your own special treat or toy that you don't have to share.

4 Playing a rough game where you get hurt.

5 Taking a quiet nap next to someone you love.

6 Getting picked up gently and hugged softly.
