W

e know that caring for a dog means responsibilities and jobs that must be done every day. We will give our dog good food and fresh water daily. We will groom. Walk and bathe our dog regularly.

W

e promise to learn all we can about dog care and make sure our dog understands basic obedience commands, has good manners and acts properly in public.

W

e promise to spend time with our dog every day to show our dog how much we love him/her. We will play with our dog regularly so he/she gets regular exercise. (It's fun for people, too)

W

e know that it costs money to take care of our dog's health and safety. We will bring our dog to the veterinarian for regular checkups and whenever he/she gets sick. We will make sure that our dog always wears a collar with ID tags and is micrchipped.
