

# STORY STARTERS

These animals are not happy. See how your behavior and activity can frighten, harm or disturb animals. How would you feel if this happened to you? How would you make this a kind ending to each story?

1) Eek! Someone is attacking my house! I am a raccoon, and I live in a hollow opening at the base of a tree. This morning I was sleeping, snug and sound, when three children started giggling and disturbing the base of my tree. All of a sudden a big stick came through my front door...

2) My owner left me inside the car. She said she would be gone only a minute. I wish I had stayed at home. It's so hot in the car and I'm getting really uncomfortable...

3) I love being a frog! I love to hop in the mud of my pond. Yummy, here comes a big fly. That tasted so good. What's this? Hey, someone is picking me up. No, don't put me in a jar! Help! Hey, I want to go home...

4) My family left me outside in the yard. All the kids in the neighborhood walk right by. They always yell and throw things at me. I wish I could be inside with my family...

3) I am so sad. Yesterday I was flying around, looking for big juicy worms to feed to my babies. As I returned to my nest, someone was cutting down the tree. My babies were in that tree...
